LOS ANGELES UNITED FILM FESTIVAL
A UNITED SHOWCASE OF ART AND CREATIVITY
APRIL 29th - MAY 6th, 2010
LOS FELIZ 3 CINEMAS 1822 Vermont Ave, Los Angeles, CA 90027

Los Angeles, CA 16 February 2010 - *The Los Angeles United Film Festival*, bringing art and creativity together to create a united film community, is pleased to be returning for its fourth year at the Los Feliz 3 Theatre April 29- May 6, 2010. The festival's focus is to bring together talented filmmakers from diverse backgrounds, thus creating a festival for everyone, a "United" showcase of creative energy and talent.

A Tulsa native filmmaker, Jason Connell and **Connell Creations** founded *Tulsa United Film Festival* seven years ago, recently released their first feature-length film *Strictly Background*, and is distributing the heartwarming fan favorite documentary *The Rock-afire Explosion* which will have a special screening at this year's festival. *The United Film Festivals* expanded to include *Los Angeles & New York* in 2007 and *San Francisco, Chicago & London* in 2009. With this growth, the rich tradition of screening humorous, touching and provocative films will be open to new audiences. This is one film festival you won't want to miss!

Los Angeles United is proud to present an amazing list of Feature-Length Narratives and Documentaries. All films will be L.A. Premieres or Special Engagement Screenings and will be preceded by a few Award-Winning Short Films.

Our kick-off film is the hilarious romantic comedy, *How to Make Love to a Woman*, which deals with one man's quest to learn what it really takes to please his girlfriend. Starring Josh Myers, Krysten Ritter, Ian Somerhalder and Ken Jeong, this film will have a special screening April 29th at the historic Vista Theatre. Saturday's environmental day includes mockumentary *Beyond the Pole* which follows a hilarious film crew on the first carbon neutral, organic, vegetarian expedition ever to attempt the North Pole. *Like Dandelion Dust* shows what happens when a couple's idyllic life is shattered when their adopted son's biological parents find a loophole in the adoption papers. Starring Mira Sorvino, Barry Pepper, and Cole Hauser. The nostalgic *Special When Lit* rediscovers the lure of the lost pop icon: pinball. *Complacent* is a compelling drama about two close sisters who are shaken to the core by a tragedy which questions the way that they live their lives. Starring Kerri Green, Cerina Vincent, Elisa Donovan and Joey Kern. We will be having a special screening of *The Shark is Still Working*, about one of Hollywood's biggest blockbusters of all time, *Jaws*. Other films in our line-up include *Jeffie Was Here*, *Official Rejection*, *Dive!*, *Tapped*, *The Rock'n'Roll Dreams of Duncan Christopher*, *Divorcing God*, *Bicycle Dreams*, *Race Team*, *Facing the Fat*, *Frank & Cindy*, *Branson*, *Etienne!*, and *The Rock-afire Explosion*.

"A festival you can't miss." Eric Campos, Film Threat
